

President  
Cluster Aeroespacial de Baja California, AC  
MEXICO

Mr. Tomas Sibaja is an international contractor with more than thirty years of experience in promotion, international sales, foreign investment and off-shore marketing strategies in cross-border regions.

Multicultural executive with first-hand professional experience working and living in Asia, North America, the Middle East, Europe and Mexico. Mr. Sibaja earned his PhD Degree at L'école internationale d'administration (ISM) in Paris, France. He holds a MBA from the University of Redlands, and earned a Postgraduate Degree in Economic and Political Studies by Cambridge University in England. He also has Postgraduate Diplomas in related business administration topics in Temple University in Tokyo, Japan; St. John's University in New York, and the Korean Trade Advanced Studies (Kotra) in Seoul, South Korea. He earned his BA in International Relations from the University of the Americas-Puebla, Mexico.

Career diplomat, war veteran, businessman and humanitarian advocate, Mr. Sibaja has performed over the years in four continents in different cross-cultural environments. This included a two-year assignment with Washington International Group as Sr. Business Manager in Iraq (2004-2006). He is registered in the 'US CENTCOM-II Reconstruction Projects-Nation Built Operation Iraqi Freedom' supporting the mission of rebuilding hospitals, schools, water/sewer piping and electricity substation projects in Baghdad, Mosul, Kirkuk and Erbil.

Mr. Sibaja is a frequent speaker in national and international forums on a wide array of topics related to foreign investment, international trade, US-Mexico cross-border issues and aerospace.

Mr. Sibaja was a Board Member and Advisor in the National Chamber of Industry Transformation (CANACINTRA). He was also a Board Member and Director of the Aerospace Commission in Tijuana-EDC, Board Member of the World Trade Center San Diego, and member of the National Chamber of Electronics, Telecommunications and Information Technology (CANIETI). He is currently the President of the Aerospace Cluster of Baja California.

Mr. Sibaja is the Director and Co-Founder of the firm Grupo Aeroespacial Especializado (GAE), Director of the company Tecnologías de Propulsión Espacial (TECPROESA), and Director of Ingeniería Avanzada TAYAU, all of them supporting aerospace requirements in northwestern Mexico and abroad.
